

Poole it Together

This handcrafted Signature Series Sportster tank from Poole's ProBuilt Racing features deep tunnel, round bottom, Hot Match flush gas cap, and Foster flush tank mounts. For more information, contact: Poole's ProBuilt Racing, (714) 672-0808.

Mounted on Top

Chopper Guys introduces a new top-mount oil tank for custom builders. All of the Chopper Guys tank designs are now available with the new top mount. For more information, contact: Chopper Guys Biker Products Inc., (707) 557-2400, www.chopperguys.com.

Get up to Your Neck in Fuel

The HardCore Highneck Tank from Paramount Custom Cycles is hand-pounded out of 18-gauge steel with a 12-gauge steel channel and bot-

tom. These tanks fit chassis with 3 inches or more stretch in the backbone. For more information, contact: Paramount Custom Cycles, (775) 324-2445, www.paramountcycles.com.

Forty Ounces of Fun

The Forty Ounce gas tank made by L.A. Choppers is handcrafted out of 16-gauge steel with a flush-mount pop-up gas cap. The tank also has a right-side petcock for a shorter gas line. For more information, contact: L.A. Choppers, (626) 334-5544, www.lachoppers.com.
